## What Our Customer Saying

---

AndolaSoft has been a valued partner providing excellent customer service for AuditNet®. Issues with clients or troubleshooting issues are handled in a timely manner & positive resolution is always the outcome. Updates & security issues have been addressed proactively. We look forward to a continued relationship with the staff.

**Jim Kaplan** | Founder, AuditNet

Andolasoft is an invaluable partner for us a startup. The team is great to work with and the projects are delivered in a timely fashion. I know that I can rely on Andolasoft for future projects because of the depth of resources/skills that they offer.

**Adler Camacho** | USA

I've worked with the team at AndolaSoft on multiple websites -- They are professional, responsive, and easy to work with. I've had great experiences and would recommend their services to anyone.

**Ruthie Miller** | Senior Marketing Specialist, Salesforce, Houston, Texas

Andolasoft has provided a first class and professional service for our web application. Andolasoft solved all problems and was innovative in their approach to the tasks. There is also a great depth of specialist resources within Andolasoft to call upon for specialised assistance. The overall service, from determining the scope of work, the project management to the invoicing and payment for services, is user friendly and efficient. We look forward to our continued work with Andolasoft.
